

KINGMAN COUNTY 4-H SHOOTING SPORTS PROGRAM 2018

Kingman County young people will learn basic skills to enjoy a lifetime activity- Shooting Sports. If you want to learn more about a shooting program for youngsters between the ages of 7 and 18, take a look at this document.

ENROLLMENT

All shooters must be eight years old by January 1 of the current year to participate. If the shooter turns eight before July 31 of the current year they may participate in *Kingman County 4-H Shooting Sports activities only*. There will be no state qualifiers attended by shooters not eight by January 1 of the current year. Complete the Registration Form in addition to your online 4-H enrollment procedures including the online Participation form. An online enrollment without a complete Registration form, participation form or attendance at one of the two offered safety meetings will result in an incomplete registration and a hold will be placed on the youth's participation. The fee schedule is graduated so that the more disciplines you sign up for the smaller the fee per discipline, with the exception of Shotgun. Fees must be paid to the Kingman County Shooting Sports account at the time of registration. Fees will be used to offset the cost of supplies and equipment. Use of any personally owned equipment must be approved by the certified discipline instructor and may require an inspection by a gunsmith as applicable. Pre-enrollment is required for all disciplines.
