COOKIES FOR COLLEGE

Scholarships

The Scholarship for “Cookies for College” does not have an application.

However, each applicant is asked to write an essay.

This essay should be no more than 350 words.

Your Cookies for College essay should include leadership activities, club activities, and other events related to 4-H and your future.

Please pay careful attention to **grammar and sentence structure** as these elements are also items in which you will be judged. You will want to be specific in this essay and use examples of your experiences.

Pending the decision of the judges, an interview may be required. If so, the applicants will be notified by mail.

The due date for this scholarship essay to be turned into the Kingman County Extension Office is April 2, 2018.
